

Terms of Use: DigiFakeAV Dataset

Before downloading and using the DigiFakeAV dataset , please read and agree to the following terms of use. This dataset has been collected and curated by the cambrain research team . In this document, you, your institution, or your organization are referred to as the "User" , while the dataset creators and their affiliated institutions are referred to as the "Producer" .

(1) The DigiFakeAV dataset is intended solely for non-commercial academic research purposes . The User shall not use the dataset for any profit-oriented or commercial applications in any form.

(2) All video data included in the dataset are sourced from legitimate materials and synthesized using state-of-the-art digital human generation techniques. The Producer assumes no legal responsibility for the original identities depicted in the source videos. All synthetic content is provided strictly for scientific research. The User agrees not to use the dataset in any defamatory, pornographic, or otherwise unlawful manner, and not to violate any applicable laws or policies.

(3) The User shall bear full responsibility for any consequences arising from the use of the DigiFakeAV dataset and guarantees that the Producer will not be held liable for any legal disputes resulting from such use. Should any controversies or claims arise from the User' s access or application of the dataset, the User agrees to assist the Producer in defense and assume all legal responsibilities.

(4) The User shall not distribute, copy, reproduce, disclose, assign, sublicense, embed, host, transfer, sell, trade, or resell any part of the DigiFakeAV dataset to any third party for any purpose.

(5) The User may share the download link or a copy of the dataset with research collaborators or colleagues, provided that the User has agreed to these Terms of Use and ensures that all recipients are aware of and consent to these conditions.

(6) The User shall not remove or alter any copyright notices, trademarks, or other proprietary rights information included in the dataset.

(7) This agreement becomes effective upon the User's first access or download of the DigiFakeAV dataset in any form.

(8) The Producer reserves the right to terminate the User ' s access to the DigiFakeAV dataset at any time without prior notice.
